

ROMAN™

THE NO.1 CONTRACTOR BRAND

Product Data Sheet

Rx-35™ DRYWALL REPAIR & PRIMER PRO-999

Base: 100% acrylic resin

General Properties: Rx-35™, PRO-999 Drywall Repair & Primer Wallpaper Primer repairs torn drywall to create a like-new smooth wall surface that can be floated, spackled, painted or hung over. It is also the perfect primer for skim coats, spackling or mud joints.

- Replaces oil-based primers
- Roller, brush or spray application
- Penetrates, seals & encapsulates popcorn ceilings
- Penetrates & seals contractor's flat paint
- Seals texture walls
- Dries clear-Matte finish
- No drip formula
- Low odor-no spatter
- No solvents or ammonia
- Zero VOC

Recommended Uses: For penetrating, priming & sealing torn drywall or damage plaster. It can also be used on new drywall, over skim coats, texture walls and popcorn ceilings

Not Recommended For: Exterior surfaces

Compatible Coatings: Most water-based products and all Roman® primers and adhesives

SPECIFICATION DATA

Coverage: Approximately 350-450 square feet per gallon depending on the porosity and texture of the surface.

Drying Time: Drying time will vary depending on the temperature, ventilation and humidity of the room. Normally, less than one hour.

Storage: Avoid freezing; keep in cool, dry place.

APPLICATION INSTRUCTIONS

Surface Preparation: Surface must be free from grease and other residues, dry, smooth and structurally sound.

Application Method: Use only when the room temperature is above 50°F. DO NOT DILUTE. Apply an generous coat of primer with a brush, roller or spraying system. If using a spray system, back rolling is recommended.

Drying Time: Rx-35 is dry and ready to hang over in less than one hour. It is dry to the touch in less than 30 minutes. Low temperature, high humidity and poor ventilation will slow down the drying process. If applying over new drywall or sealed surfaces, the drying time may be extended.

Clean-Up: Before the primer dries, remove the excess with clean water. Brushes and rollers should be cleaned immediately after use with warm, clean water.

CAUTION

Do not freeze. Do not take internally. In case of ingestion, seek medical attention. Avoid contact with skin and eyes. Use of skin and eye protection is recommended at all times. If contact with eye occurs, flush with water for 15 minutes. If skin contact occurs, wash with soap and water. Seek medical attention if rash or other symptoms occur. Do not mix with other chemicals. Use in a well ventilated work area. Close containers after each use. Keep out of reach of children.

LIMITED WARRANTY

Roman Decorating Products warrants that it will replace this product free of charge if within 24 months of manufacture it is found defective in material or workmanship. This warranty is in lieu of any other. The exclusive remedy is limited to the replacement of the product and Roman Decorating Products disclaims all liability for consequential damages.
